

*Argos Risk, LLC and Cornerstone Announce Partnership to Elevate  
Third-Party Risk Management Solutions*

**MINNEAPOLIS, MN**, July 30, 2024 - Argos Risk, LLC, a leading provider of innovative Third-Party Risk Management Solutions, is proud to announce its partnership with Cornerstone, a renowned management and technology consultancy for banks, credit unions, and fintech firms. This collaboration combines Argos Risk's expertise in risk assessment with Cornerstone's cutting-edge technology platform.

In today's rapidly evolving business landscape, organizations across all sectors face increasing challenges in managing risks associated with their third-party vendors and partners. Recognizing the critical need for more robust risk management solutions, Argos Risk and Cornerstone have joined forces to deliver comprehensive offerings to Cornerstone's clients.

By leveraging Argos Risk's proprietary advanced analytics and risk intelligence data, Cornerstone clients will have access to powerful risk monitoring mitigation tools and have greater visibility into their third-party risk exposure. These tools will enable them to streamline the risk management processes, make more informed decisions, improve overall risk posture, and strengthen risk management practices.

Lori Frank, President and CEO of Argos Risk, stated, "We are excited to partner with Cornerstone and provide their clients with comprehensive risk management solutions. In today's interconnected business environment, the financial services industry needs to have access to advanced risk assessment tools." Frank added, "Together, we are committed to helping clients navigate the complexities of third-party risk management effectively."
